DETAILED ACTION

Allowable Subject Matter

1. Claims 46-104 are allowed.

The following is an examiner's statement of reasons for allowance:

- The primary reason for the allowance of claims 46-62 and 86-90 is the inclusion of the limitation of an apparatus and a method of printing on a print media comprising preventing contact between the starwheel and the drive roller at all times during printing. It is limitation found in each claims, as it is claimed in the combination, that has not been found, taught, or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
